### **Mission**

The Creekview Elementary Educators ensure that all students are proficient in all content standards. Content standards will be met through collaboration and ongoing student assessment. All staff will embrace the responsibility of providing a pyramid of interventions, which will lead to student success.

### **CREEKVIEW DETAILS**

Creekview Elementary School serves children from Kindergarten through fifth grade. There are thirty-two classrooms, including two three full day Kindergarten sections.

- Full-time Fine Arts (Art, Music, & P.E.) teachers provide instruction to students in all-day Kindergarten and 1st through 5th grades. Each student receives 45 minutes each day in one of these three subject areas. Creekview also has a librarian who provides training for students in literature, library use, research, and technology.
- Creekview provides special education services to meet the needs of students in an inclusive environment. Teams of special education teachers and regular education teachers serve students with identified special needs. Outside counseling agencies provide counseling to students. A nurse provides medical attention to students who need it.
- An Intervention Assistance Team (IAT) works to support students who are having difficulties in the classroom. Students are referred to IAT by teachers and parents at which time the IAT convenes to learn more about the child and brainstorm strategies to help support their success in the classroom. Parental involvement is a very important piece throughout this process.
- Free breakfast program for all students
- The Creekview PTO is very active, hosting monthly skating parties, fundraisers, financial support for field trips, programs, and classrooms, as well as a host of other supports during the year.
- Creekview has a parent activity coordinator who plans four literacy activities a year involving parents and students.
