## Attention Parents

### Door P

We have had some parents inquiring as to why we are not allowing students to enter through door P in the morning any longer. Mayfield is also the GATE (Gifted and Talented Enrichment) program school. Those students begin their school day at 8:00 and dismiss at 2:45, so we need to keep that door locked for the safety of the students that are here at the time. Parents are still welcome to drop their students off on that side of the building just to keep the flow of traffic on Lamberton at a minimum, but the students will need to walk around and enter at the front of the building. When our Mayfield students begin their day, all the doors are locked at 9:00 AM, with the exception of the door to the office. This is for the safety of our students.

## Penny/Change War

Mayfield PTO is having a penny/change war to raise money for a possible spring carnival here at the school. Change receptacles are located in each classroom. The penny/change war will run through next Friday, Feb. 12. The class who collects the most change will win a pizza party for their class. The 2<sup>nd</sup> place class winner will receive an ice cream party for their class and third place will receive free popcorn on a selected Friday. Good luck to all our classes and thank you for your generous donations!!
