November 2, 2009

Dear Parents:

Last week, students who were considered to be at a high risk level were given the H1N1 vaccine. The Middletown Health Department is expecting enough vaccines to be delivered within the next week to give to all the other students whose parents have given permission for the shot. Please note that we continue to stress wellness here at school. I am proud to say that I see students washing their hands on a regular basis and covering their mouth when they cough or sneeze. A number of parents have volunteered to come in and wash the tops of desks, too! Thank you for all of your support.

Conferences are this evening and Thursday, November 5.

The recent PTO fund raiser was a big success. This could not have happened without your support. We are in the process of scheduling the limo rides and the assembly to have students pour slime over me. I will send home more details later.

Wednesday, November 11 is Veteran's Day. Grades 3-5 will honor our veterans during a special assembly starting at 9:30. Everyone is invited to attend.

The Miller Ridge Fall Festival will take place on Friday, November 13 from 6:00-9:00. This is a great family fun night for everyone. There will be food, games and some large blow up toys for the kids to play on, weather permitting. Each classroom is fixing a special basket for a raffle. I hope to see all of you come that night. Parking will be limited on the school grounds. I encourage you to car pool or to park in the subdivision across the street.

Cold weather is coming our way, so it may mean we will start talking about snow and ice. School delays and closing information will be broadcast as soon as possible via all Cincinnati and Dayton commercial television and radio stations, TV Middletown, the cNotify automated phone system and on the Middletown City Schools website.

Our School Resource Office, Mike Davis, has asked me to remind parents about traffic safety. A few cars have been pulling out in front of others when making a right turn on red at the corner of Breiel Blvd. and Miller Road. Please be very careful.

Sincerely,

Michael Lolli
