

**PETERMANN**  
Safety One Person at a Time

## Middletown City Schools Transportation

2951 Cincinnati – Dayton Rd  
Middletown, Oh 45240  
(513)420-4568  
School bus stops  
**2021-2022**

The route and stop time attached are our best estimates until school actually starts. Over the next few weeks, students will move and routes will have to be changed accordingly. If you have moved since the end of last school year please make sure your address has been changed with central office.

Please make sure your student is at their bus stop ten minutes prior to their pick-up time. Please teach your child that if they miss the bus, **do not run after the bus.** This is extremely dangerous.

The first couple of weeks routes are going to run differently, sometimes may run little late. We are encouraging drivers and parents to be a little patient as we work to fine tune the routes. Your kids safety is our main priority.

Once again we will use **Central Academy** as our transfer point for all parochial and private school students. That transfer happens between **7:25 am – 7:35 am.**

**Butler Tech, Warren County Career, and Warren County Alternative** will ride in on high school buses and make their transfer at the High School. Transfers begin at 6:50 am and buses normally depart around 6:55 am. Reminder: Once buses depart they are unable to return to pick up any kids.

All changes go through the school building. They will notify us of the change. We do this so no one can direct your student to a location you were not expecting. Once we get the change from the building, it takes 48 hours to get the routing software updated and print new route sheets and get them to the driver.

Our entire supervision staff, routers, drivers and aides are looking forward to a great year. Please reach out to us and let us know if you have any questions.
