
School-Parent Compact

2019-2020

The purpose of the School-Parent Compact is to outline how the student, parent and teacher will share responsibility for improving student achievement. We know that learning takes place when students, teachers and parents work as partners. We will do our best to build a school based on a strong partnership between the home and the school.

Read and discuss all progress reports, homework and papers that my child brings home.
Attend and actively participate in all parent-teacher conferences.
Regularly read stories and books at home to my child.
