School bus stops
2018-2019

The route and stop times attached are our best estimate a few weeks before school starts. Over these weeks we will enroll new students, students will move and route changes will have to be made. If you have moved over the summer, please have your address changed at the district's central office or your school so we are ready for school to start.

Please make sure your student is at their bus stop at least 10 minutes prior to their pick-up time. Please teach your child that if they miss the bus, **do not run after the bus**. This is extremely dangerous.

The first few days (especially in the afternoon) routes will run late. We are encouraging our drivers to take their time and make sure they keep safety a priority.

Once again we will use **Central Academy** as a transfer point for all private and parochial students. That transfer will happen between **7:30 am and 7:45 am**.

In order to insure the safety of your child, all transportation changes go through the students' school. They will notify us of the change. We do this so no one can direct your student to a location you were not expecting. Once we get the change from the building, it takes a couple of days to get the routing software updated, print new route sheets and get them to the driver. As a result, it is not possible to make same day changes.

Postcards with the individual student route information will be mailed the 2nd week of August.

Our entire supervision staff, routers, trainers, drivers and aides are looking forward to a great year. Please reach out to us and let us know if you have any questions.
