BARBER PROGRAM:

Barbering is the study of the art of performing techniques such as haircutting and styling, shaving, massaging, facial treatments, trimming and styling the beard and mustache and chemical services. The primary purpose of the Barbering Course is to train students in the basic barbering skills, safety judgments, proper work habits, and desirable attitudes necessary to achieve competency in techniques necessary for the barber shop and to be prepared for the state board in order to obtain licensure and practice barbering with the professional image by the public, and obtain gainful employment in the field of barbering or related career fields.

LENGTH OF TRAINING:

This unique training program is divided into three (3) areas of study as follows:

1. Theoretical Study in a Classroom:
200 HRS.
2. Scientific Barbering Practice
300 HRS.
3. General Barber Practice (Clinic Floor)
1300 HRS.

Total Clock Hours: 1800 HRS.

OBJECTIVES:

Upon completion of the course requirements, the student will be able to:

1. Project a positive attitude, a sense of personal integrity, and self-confidence
2. Practice effective communication skills, visual poise, and proper grooming.
3. Respect the need to deliver worthy service for value received in an employer-employee relationship.
4. Perform the basic manipulative skills in the areas of hair care, skin care and shaving.
5. Perform the basic analytical skills to determine appropriate hair care, skin care and shaving services to achieve the best total look for each client.
6. Apply academic and practical learning and related information to ensure sound judgements, decisions and procedures.
