

MIDDLETOWN CITY SCHOOL DISTRICT
District Parent and Family Engagement Policy

The Middletown City School District agrees to implement the following statutory requirements:

B. Provide the coordination, technical assistance and other support necessary to assist and build the capacity of all participating schools within the LEA in planning and implementing effective parent and family involvement activities. C. Coordinate and integrate parent and family engagement strategies, to the extent feasible and appropriate, with other relevant federal, state, and local laws and programs.

D. Conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying:

o Barriers to greater participation by parents/families in activities authorized by this section, with particular attention to parents with:

- Economic disadvantages
- Disabilities
- Limited English proficiency
- Limited literacy; or
- Any racial or ethnic minority background

o The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

o Strategies to support successful school and family interactions.

E. Use the findings of such evaluation to design evidence-based strategies for more effective parental and family engagement, and to revise, if necessary, the parent and family engagement policies described in this section.

F. Involve parents in the activities of the schools, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by the LEA to adequately represent the needs of the population. This advisory board will help develop, revise and review the parent and family engagement policy.
